<b>SUBJECT:</b>	Revised Health and Social Care Review Group Terms of Reference 2012-13

## **PURPOSE**

1. To present the Health and Social Care Review Group revised Terms of Reference for 2012-13 for consideration and approval.

## **RECOMMENDATIONS**

2. **That the revised Terms of Reference (attached as Appendix A), be considered and approved, with or without amendments, and referred to the Overview and Scrutiny Board for ratification.**
3. **If any amendments are required, that responsibility be delegated to the Democracy and Scrutiny Officer to make them, finalise the document and submit to the Overview and Scrutiny Board, after consultation with the Chair.**

## **REPORT**

4. The Health and Social Care Review Group's Terms of Reference was developed and approved in 2011, when the Group was originally set up.
5. At the start of this new municipal year, the time was right to update the Group's Terms of Reference, to account for any changes in membership and ongoing developments in the health and social care landscape.
6. The Group's purpose remains fundamentally the same. In addition, the framework is also provided for developing working relationships with new structures set up under the health reform, e.g. the Shadow Health & Well-Being Board and the Clinical Commissioning Group.
