Mr Liyakath Jan  
Diners' Choice (UK) Ltd  
Pitch 9  
George Street  
Luton  
LU1 2BQ

4 December 2012

Dear Mr Liyakth Jan,

**RE: STREET TRADING CONSENT – GEORGE STREET, LUTON**

As you will be aware you were granted permission for a trailer to be placed on Pitch No. 9, George Street, Luton. This site is situated on George Street, Luton (South Side) on the footway area outside No.43 – 45.

The permission is for the placement of the trailer on the pitch during the day and it is a requirement that you remove it each night.

I noted the trailer was in the town centre at 0225 hours on Sunday 02 December 2012. Please be advised this is a warning and should this breach of the existing consent continue, it will result in it not being renewed in January 2013, in the meantime, the Luton Borough Council Legal Department will be contacted and will advise whether to instigate legal proceedings against you.

You are now requested to comply with the Council's request and your original consent by removing the trailer each evening after trading has ceased and not returning it to the location until the following morning.

Further, I also wish to remind you that leaving the trailer in the location overnight is in breach of the traffic regulation order for George Street.

I trust the above makes the Council's position clear and that you will now comply with the consent granted to you.

Yours sincerely

Tony Ireland
