Prevention of crime and disorder		
Public safety		
Prevention of public nuisance	X	The Istanbul Grill Restaurant is physically attached to residential accommodation. If the application to provide regulated entertainment is granted, this is likely to have a detrimental effect upon the two residential dwellings immediately adjacent to the restaurant. There is a further residential close by that could also be affected. I would therefore recommend refusal of the application.
Protection of children from harm		

Suggested conditions that could be added to the licence to alleviate your concerns, or other suggestions you would like the Licensing Panel to take into account.
