

LUTON BOROUGH COUNCIL

FORWARD PLAN OF KEY DECISIONS

MARCH 2008 TO JUNE 2008

During the period from 1st March to 30th June 2008 the Council plans to make key decisions on the issues set out below. Key decisions relate to those which are likely:

- ◇ to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates; or
- ◇ to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the Borough.

The Forward Plan is a general guide to the business undertaken by or on behalf of the Executive and will be updated on a monthly basis and is effective on the first working day of each month. It is published 14 working days prior to that date. Those items identified for decision more than one month in advance may change in forthcoming Plans. There may also be occasions where a key decision is deferred to a meeting which will be held prior to the next effective Forward Plan. Each new Plan supersedes the previous Plan. Any questions regarding individual issues should be addressed to the contact specified in the Plan. General questions about the Plan such as specific dates, should be addressed to the Head of Local Democracy.

The agendas and Forward Plans for meetings of the Executive will be published as follows:
