Re: Prevention of Crime
and Disorder

Prevention of Public
Nuisance

Dear Julia,

There are the 2 reasons
I'm against an alcohol licence
being granted to the above store
and food it would become
even worse than the Weyern
Public House as alcohol can
be consumed away from the
store, as take a large grassed
area in front of our properties
with steps to and from what
will be the Takeo Store and

our fear is alcohol could
be consumed in this area
with cars and people left
behind and drunkenness
occurring once again and it
is the residents of this
area that will have to deal
and pay for any possible
damage that may happen
to our property.
