Dear Sir / Madam

RE: STREET TRADING CONSENT

Further to your consent application received by the Licensing Service a complaint has been received stating that your trailer has not been removed from the pitch at the end of a days trading.

Please note it is a requirement of your Street Trading Consent that the trailer must be removed at the end of each evening. Failure to do so can result in the removal of your Street Trading Consent.

If you have any queries regarding this matter please do not hesitate to contact the Licensing Service on 01582 546040.

Yours sincerely

Sarah Vippond
