

## **APPENDIX A**

The Street Naming and Numbering Service includes the following, within the borough's boundary only:

- Naming of new roads, for example Hogarth Close
- Renaming of existing roads, either when requested by a road's residents or as a result of Council activities
- Naming of buildings eg The Arndale Centre
- Renaming buildings, either when requested by a property's owners or as a result of Council activities
- Numbering of properties, for example assigning house and flat numbers
- Renumbering properties, either when requested by a property's owners or as a result of Council activities, for example to change a house number from 13 to 11A

Note that road classification and numbering, for example A505, B653, is performed by Engineering and Transportation.
