

Luton's draft sustainable community strategy 2026 consultation questionnaire

Luton's sustainable community strategy sets out what it is like to live, work and learn in Luton, and how partners, stakeholders, the voluntary and community sector and ultimately all of us will help to make Luton a better place.

We have published a draft strategy for consultation and would like you to tell us what you think by completing this questionnaire.

Please be assured that all responses will be treated in confidence and no individual or organisation will be identified in the results.

Please complete and return your questionnaire in the pre-paid envelope provided by **Wednesday 30 April 2008**
