For the attention of Mr Keith Dove

Dear Keith,

PROPOSED GRADE SEPARATION OF M1 JUNCTION 10a

Further to my letter of 13 July I have now received comments from the Route Performance Manager to the councils request

Traffic Operations are happy with the proposal for Grade Separation with a 50 mph speed limit at this site although they would obviously like to be consulted on the extent of the speed limit to agree the start and finish points.

Can you please liaise with Andy Shilliday Assistant Route Performance Manager, Traffic Operations (01234 796197) regarding limits of the speed limit.

In the mean time if I can be of further assistance please do not hesitate to contact me

Yours sincerely
