

Integrated Impact Assessment Form (IIA) June 2012

This form replaces the previous Equality Impact Assessment form used by LBC.
The key aim of an impact assessment is to ensure that all Council policies, plans and strategies support the corporate mission statement that

'The needs of Luton's people will be first in everything we do'.

The aim of this impact assessment process is to:

- Embed Social Justice principles and practice into the Council's decision making process
- Ensure adherence to the Equality Act 2010 and associated Public Sector Duty
- Minimise duplication of initial impact assessments with regards to Environment and Health
- Ensure Officers have access to the necessary specialist support with regards to all of the above

The table on the first page of this form will enable you to make early consideration of the potential impacts of your proposal with regards to individuals, areas, cohesion, inclusion, the environment and health. You will need to review the impact table once you have completed your assessment to ensure that all impacts are clearly highlighted in the final document.

Once you have completed the table the form will guide you to explain your judgements and then, as appropriate, identify in the action plan how you will be able to enhance and maintain any positive, and mitigate any negative, impacts of your proposal in line with the council's mission and values.

This form will also help you to identify if you need further specialist advice or whether a more detailed Environmental or Health Impact Assessment may be required.

For your convenience, please see links to key Corporate and Partnership documents that may help you as you complete this IIA.
