Subject: RE: Temporary Event Notice Olivers 16 - 17 August

Hi Lisa

I wish to object to the above TEN application

This premises is currently under investigation for statutory noise nuisance.

In May 2014, after obtaining recorded evidence of nuisance, I intended to serve a noise abatement notice on the DPS of Olivers. However, I was informed that the DPS was now Mr Gerard Doherty. As I had previously sent a warning letter to Mr John Francis McGonagle, I decided it was appropriate to send a warning letter to Mr Doherty. A warning letter was sent to Mr Doherty on 8 May 2014 and then a copy hand delivered on 13 May 2014.

The complainant told me that the noise had ceased for a while. However on 21/ 7/2014 the complainant called to say that on Fri night music was on loud from 9pm – 2 am and then again on Saturday they had music and microphones in the garden from 2 pm til 2 am.

A further warning letter sent and sent 21.7.14

Today I have received another complaint that there was loud music from Olivers on Friday night till 2 am
Saturday morning.

They have clearly demonstrated that they are regularly disturbing their neighbours.

I am in the process of obtaining evidence to serve a noise abatement notice on Mr Doherty.

If you need this in another format, please let me know
