11 April 2012

Dear Mr Liyakath Jan,

On Friday 06 April 2012 the 'Diners Choice' trailer on pitch 9 was observed by a Licensing Officer in George Street, Luton at 2240 hours and again at 0012hrs on Saturday 07 April 2012, and CCTV has confirmed that the trailer remained in situ overnight.

Luton Borough Council expects trailers to be removed at night after the hours of trading. Please be aware that by leaving the trailer overnight it obstructs the view of the CCTV cameras which could have serious consequences.

May I remind you that if the trailer is left in position for more than 28 days in a year you will require planning permission.

I must advise that unlawful actions or breach of conditions may result in the removal of your Street Trading Consent.

This is a **warning** letter and if the trailer remains in George Street outside of the permitted hours I will have no alternative but to take further action.

If you have any queries concerning the above matter, please do not hesitate to contact me or a member of the Licensing Team on the above number.

Yours sincerely

Jenny van Beukelen
Licensing Enforcement Officer
