Subject: KFC Wigmore Lane, Luton Licence application LA03/KFC/117321

Good afternoon,

I object to the above application to Late Night Refreshment Monday - Sunday 2300 to 0200hrs

as I believe it would cause a public nuisance to myself. I live at [REDACTED]
[REDACTED], Luton which is my residential premises just opposite the roundabout by Wigmore shops. This would be the only KFC in the area and they are a busy franchise. My bedroom is located to the back of the premises as is my sons and having this establishment open to that time all week, i feel would interrupt my sleep and that of my child. I feel this opening hours would encourage people to congregating outside the premises if it were open for that long and i feel it risks causing an effect on the quality of life in my own home.
