Subject: Leyhill Drive Gating Order (No LD) 2012

Dear Mrs White,

I am writing on behalf of the Ramblers Association about the above gating order. After examining the associated papers supporting the order and visiting the site it has been decided not to oppose the order. Although always undesirable to close a public footpath the aggravation the local residents have endured over the years from people using alleyway A seems to justify the action. In addition there are two remaining alleyways form Leyhill Drive.

Yours sincerely,

Carol Bond

(FP Officer for Luton)
