**Re.. Application for Variation of Premises Licence D&S Food and Wine, 853
Dunstable Road, Luton**

Dear Sir/Madam,

I am writing to express my concern about the potential effect that an extension to the licence conditions at the above named premises may have. I have specific concerns related to the issue of public nuisance. The ability to purchase alcohol 24 hours a day will inevitably lead to increased noise at night. It may also lead to an increased risk of disorder at night. There is a large supermarket a few hundred yards further along Dunstable Road that sells alcohol, and I do not feel that a 24 hour license at the above premises is of added value when considered in the context of the risk to public nuisance.

Yours,

Duncan Harding
